ATTENTION HOME OWNERS
Home improvement means some addition to your home or property that adds to its value in appearance, comfort, or saleability. This can include basement rooms, attic rooms, addition to the present building, garages, fences, or kitchen and bathroom modernization.
We have an attractive monthly budget plan that is becoming increasingly popular. Payments may start as late as April 30th on improvements done now and spread over a period suited to your income. These payments include all materials, labor, cement work, electrical work, plumbing, plastering, etc., in fact a complete job in one package. We can recommend reliable contractors for any type of work. Phone or call in for free estimates and suitable credit arrangements.
